<u>Description</u>	<u>Effective Period</u>	<u>Rate</u>	<u>Base</u>
Facilities and Administrative (F&A)	10/01/14 – 09/30/15	23.26%	(a)

Rate Application Bases

(a) On-Site Programs: Total direct costs (including payroll), but excluding the portion of each subaward or major purchase in excess of \$25,000 per year.

Treatment of Fringe Benefits: Fringe benefits are specifically identified to each employee and are charged individually as direct or indirect costs (as applicable).

Definitions:

Major Purchase: For the purpose of this rate, "major purchase" is defined as any contract or subaward with a value that exceeds \$25,000 per year.

On-Site vs. Off-Site Program: For the purpose of this rate, "off-site" refers to any grant, award or entity that receives services from Gemini but that does not occupy space at the location for which the rate is applied; "on-site" refers to those awards or entities that receive services from Gemini and that do occupy space at the location.

SECTION II: GENERAL TERMS

- A. LIMITATIONS: Use of the rates contained in this agreement is subject to any applicable contractual or grant limitations. Acceptance of these rates agreed to herein is predicated upon the conditions: (1) that no costs other than those incurred by the contractor or grantee were included in its indirect cost proposal and that such costs are legal obligations of the contractor or grantee, (2) that the same costs that have been treated as indirect costs have not been claimed as direct costs, and (3) that similar types of costs have been accorded consistent treatment.
- B. AUDIT: All costs, direct and indirect, Federal and non-Federal are subject to audit. Adjustments to amounts resulting from audit of cost allocation plan or indirect rate proposal upon which the negotiation of this agreement was based will be compensated for in subsequent negotiation.
- C. ACCOUNTING CHANGES: The rates contained in this agreement are based on the accounting system in effect at the time the proposal was prepared and the rates were negotiated. Changes to the method of accounting which effect the amount of reimbursement resulting from the use of these rates require the prior approval of this office. Failure to obtain such approval may result in subsequent cost disallowances.
- D. NOTIFICATION TO FEDERAL AGENCIES: Copies of this document may be provided to other Federal offices as a means of notifying them of the rates agreed to herein.
